

MAURITIAN MARVEL

Paradis Hotel & Golf Club in Mauritius offers the ultimate luxury family holiday in a spectacular natural setting

While many resorts are 'family friendly', precious few boast the facilities, the setting and the downright luxury of Paradis Hotel & Golf Club on Mauritius's Morne Peninsula.

This luxury resort occupies one of the most ravishing spots on the island, dotted with palms and surrounded on three sides by shimmering sea. The range of accommodation is extensive; everything from Superior Rooms to Luxury Family Suites. For the ultimate in space and privacy, guests can stay in their very own villa, complete with a golf buggy and valet service.

There's an exhaustive array of land and water sports to keep the whole family occupied, most of which are complimentary. Golfers can make use of the magnificent 18-hole golf course and a Spa by Clarins promises all-out relaxation.

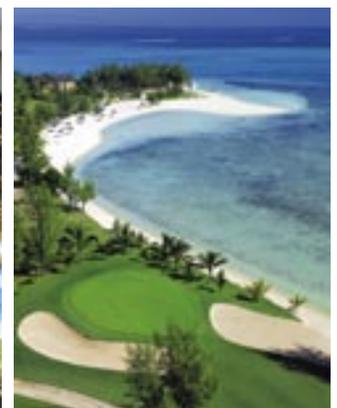

There's a mini-club for children aged three to 12, to ensure that little ones have fun-packed days, and experienced baby-sitters are on hand so parents can enjoy the down-time they deserve. And, like its sister hotel, The Dinarobin, Paradis has seven restaurants to delight every palate.

Your holiday begins when you step aboard your Air Mauritius flight, with one of the industry's most comfortable economy classes, and an all-new business class with cocoon seats.
